OVERVIEW

Dubai Autodrome has seen significant growth in B2B relations with leading international and local organizations. In addition, there has been an increase in strategic sponsorship value over the past two years.

One of the contributing factors to the rise is that Dubai Autodrome has, and continues to host major local and international events ranging from motorsport, corporate and various fitness events, each with a significant footfall. The positioning of the Dubai Autodrome brand has subsequently seen a positive shift making the venue a popular and attractive proposition for corporates, sponsors and events.

This presentation will highlight Dubai Autodrome’s partners, affiliates and facilities, in addition to past and future events.

Easy Drift Experience

Drifting is a driving technique where the driver intentionally over-steers, causing loss of traction in the rear wheels or all tires, while maintaining control from entry to exit of a corner. New technology called Easydrift allows creating a loss of grip on the rear wheels by placing specifically designed plastic rings on the rear tires.

This allows drifting with standard front wheel drive cars starting from very low speeds, making the activity very safe. It also allows much faster drifting for drivers mastering our first levels of experiences resulting in an incredibly addictive and memorable experience.

No driver license required.

Price: AED 950

DUBAI KARTDROME

Activities On Offer

Dubai Autodrome’s popular Kartdrome sees more than 100,000 people visiting the outdoor and indoor karting circuits.

With a healthy kart racing industry, the circuit organizes a multitude of championships such as the Endurance Championship, Rotax Championship, Dubai O-Plate and the SWS Series.

TheDubaiKartdromealsooffersotherentertainment such as: RaceRoom Simulators, corporate events, PS4 Zone, kids birthday parties and a Laserdrome medieval maze.

The most popular activity is the Arrive and Drive Outdoor karting experience, which runs from 10am until midnight, seven days a week.

ARRIVE & DRIVE KARTING

Go Race Now!

The Dubai Kartdrome offers a fleet of leisure Karts that deliver an excellent racing experience while ensuring high safety, in a range of specifications to satisfy those aged 7 and up.

Manufactured by SodiKart, the karts offer a comfortable driving position, top level performance and precision handling. All karts are powered by Honda engines which ensures equal acceleration, guaranteeing that all clients have the most competitive karts available.

They are also equipped with transponders that automate timing and scoring systems, providing an accurate starting grid in qualifying. This up-to-date system displays laps competed, gap between karts and the fastest lap. At the end of each session drivers are able to compare lap times.

Price:

Outdoor AED 130 per 15 minute session

Indoor AED 100 per 15 minute session

SWS RACING SERIES

Arrive & Race

This is the next step from 'Arrive and Drive' or leisure karting, and it's the same principle whereby the Dubai Kartdrome provides the kart, suit, helmet and gloves (although you are welcome to use your own), but instead of just driving in a practice session you are entering a race with up to 30 other drivers!

The UAE top ranked SWS drivers will be invited to go to the World Finals to race against the top ranked finalists from other countries.

ENDURANCE RACING

Endurance Championship

The Dubai Kartdrome Endurance Championship, run since 2004, is a mainstay of the UAE motorsport calendar. The event has been dubbed as “extreme racing” – as tough as it gets and requires stamina, concentration, speed, consistency and probably most importantly team work – all this under the duress of hard fought competition over a 24 or 12 hour period.

At the end there will be a winning team, but in truth competing with enthusiasm and completing the event is a victory in itself. The objective is to provide new challenges to teams and create a competitive environment for teams to race at the highest level. The emphasis is on attracting a mix of pro, semi-pro and corporate teams to the series.

DUBAI KARTDROME ENDURANCE CHAMPIONSHIP

DUBAI O PLATE

Every January!

The O-Plate is the United Arab Emirates’ annual big weekend for professional kart racers held at the Dubai Kartdrome. The event sets local talent up against international drivers for top honors of becoming Dubai O-Plate Champions on the world renowned circuit.

The Dubai Kartdrome answered the call by many drivers who wanted to challenge for a championship but without the pressure and expense of a full season campaign. The Dubai O-Plate event fulfills that aspiration for two race filled days every January.

The winter temperatures in Dubai are normally in the mid 20’s (Celsius), which provides an ideal opportunity for European teams to test and race when conditions back home are significantly colder. A great experience for drivers and the whole family; bring them along to enjoy Dubai’s sun, shopping and beaches!

With the local karting scene at an all-time high, this event offers the chance for top local and international kart drivers to battle it out on the same tarmac for a full weekend of racing of selected IAME and Rotax Categories.

The Dubai Kartdrome pulls together a large amount of attractive prizes that will be awarded to the top drivers in each category.

LASERDROME & CHILL ZONE

Always Something To Do

A unique feature of the Indoor Kartdrome Complex is the Laserdrome – laser tag – game area. Best described as Paintball without the Pain(t) and without the mess. Players are sorted into two teams (maximum 10 players) battling against one another with laser guns. Set in a medieval castle type environment of 400 square meters featuring huge dayglo dungeon style decoration with lighting and artificial fog aimed at confusing vision and making the objective of tagging opponents a challenge. Ideal for groups and children.

On the same floor as the Laserdrome you can relax in the Chill Zone, an area which includes Playstation Alley, Billiards and a snack bar.

RACEROOM SIM RACING

Virtual Racing For Up To 10 Drivers

RaceRoom was born on the real race track and developed as a virtual experience which extracts the best out of driving dynamics and motor racing simulation.

The concept is very easy to use, affordable and without any technical limitations. RaceRoom is the place which can inspire everyone to participate in virtual motorsport, for users from 7 to 70 years of age.

Booking is quick and simple and very much Arrive & Drive entertainment facilitated by exclusive RaceRoom Event Automation Software which allows up to 10 drivers to compete against each other at the same time on a virtual race track.

The live broadcast system puts drivers in the spotlight of the audience while showing live timing and results. At the Indoor Kartdrome there will be regular RaceRoom competitions and challenges with prizes for the winners.

RaceRoom virtual motor racing offers extraordinary fun at the Indoor Kartdrome, providing an ideal and unique entertainment platform which is ideal for parties, corporate events or individuals wanting a virtual adrenalin rush!

MOBILE RACEROOM

Innovative Event Equipment For Virtual Motorsport

The fascination of motorsport connects people worldwide. With RaceRoom, get world-famous racing circuits, original engine sound and vehicles delivered directly to your event. Your guests will feel a rush of adrenaline in a memorable racing experience!

Our event entertainment allows guests to drive, have fun and to compete against each other. You can also strengthen employee spirit and foster a sense of commitment and concentration.

And more! The setup allows you to promote your company image within the game, securing your brand in the minds of clients. RaceRoom is suitable both as entertainment and as a promotional tool for any event.

LARGE SCALE EVENTS

Hankook 24H Dubai

This is a 24 hour endurance race that pits drivers against time and each other to last through the entire race. Held at the Dubai Autodrome for the first time back in 2006, it has since been hosted each year for a total of 10 times.

A wide variety of ‘tin top’ touring cars, GTs and 24H-Specials (e.g. silhouette cars) are eligible to race, from ‘hot hatchbacks’ up to proper GT3 machinery and purpose-built race cars. An established structure of classes and liberal technical regulations allow teams to compete without having to change their cars for the 24H SERIES, thus helping them to save costs.

Hankook 24H Dubai Facts

- 100 cars on the start grid.
- 500+ drivers.
- 30 nationalities.
- 20,000+ people attended the race.
- VIP Hospitality Suites with VIP’s and celebrities.
- Live Screening to over 200,000 people world-wide.

LARGE SCALE EVENTS

National Race Days

At each National Race Day Dubai Autodrome creates an event for the entire family. Activities such as Bungee jumping, a kid’s area, food and beverage areas, viewing areas to watch the track action up close with opportunities to meet the drivers and cars.

Racing includes six rounds at Dubai Autodrome with an average attendance between 1,000 and 3,000 people.

Categories that take part on National Race Days include: NGK Racing Series, Radical Middle East Cup, Formula Gulf Academy, Sport Bike Series, Lamborghini Super Trofeo, Porsche GT3 Cup ME, MRF Single Seater Championship.

LARGE SCALE EVENTS

The Color Run

The Color Run™, presented by Daman's Active Life, also known as the "Happiest 5k on the Planet", is a unique paint race that celebrates healthiness, happiness, individuality, and giving back to the community. 15,000 people took part in the 2014 Colour Run at the Dubai Autodrome. The Autodrome also received PR to the value of AED 850,000 from the marketing exposure gained from the event.

Less about your 10-minute-mile and more about having the time of your life, The Color Run™ is a five-kilometer, untimed race in which thousands of participants are doused from head to toe in different colors at each kilometer. The fun continues at the finish line with a gigantic "Color Festival," using more colored powder to create happiness and lasting memories, not to mention millions of vivid color combinations. Trust us, this is the best post-5k party on the planet!

With only two rules, the idea is easy to follow: Wear white at the start line, finish plastered in color! Now the single largest event series on the planet.

The Neo Run

Glo crazy with colour and dance the night away at NEORUN - a REDFILO EVENTS original creation, – the first ever UV night fun-run of its kind in Dubai!

Thousands of runners took to the track at Dubai Autodrome on 10 April 2015 and experienced the brightest race attractions and glo-tastic colour zones as they journeyed through a magical Neo World.

The run ended with a large and loud ENIGMA Party, which will was hosted by RADIO 1 DJs.

Over 5,000 people took part in the event.

MOTORSPORT EVENTS

MRF Challenge

Motorsports in India is synonymous with MRF. In fact, the development and popularity of various forms of the sport could be directly attributed to the pioneering efforts of the company, be it racing, rallying, motocross or karting.

The MRF Challenge will feature MRF Formula 2000 race cars, The Formula 3 style car has been built in technical collaboration with Dallara, and is considered to be the fastest of its kind in Asia. The new car is powered by a 2 litre Mountune Duratec engine with max power of 230 bhp and shod on MRF Z.L.O. tyres. The car will also feature advanced aerodynamics with underbody diffuser and a Hewland 6-speed sequential gearbox.

This race will form part of the much anticipated National Race Days.

PAST EVENTS

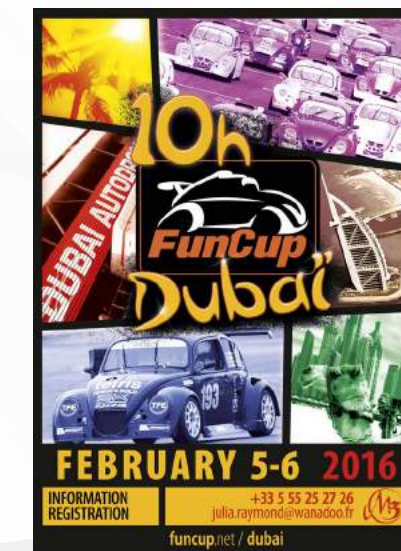

Fun Cup

The Fun Cup is a one-make racing series created by Franz Dubois in 1997 in Belgium. The cars are identical: 130bhp, 760kg (1700lb) Volkswagen Beetle replicas with all major components sealed to ensure the cars are technically identical and of equal performance. The tires are a standard road radial which is spec to the series, and is run in both wet and dry.

The series is renowned for the competitiveness of the racing as well as the friendliness and ease in which one can enter the races. It is, however, known mostly for the cost of it - it is one of the cheapest options to get into motor racing. Cars cost around £29,600, which is usually split between the drivers. The races last mostly between three and six hours, split between a team of two or more drivers, so driving time in the Fun Cup is more than 8 times that offered by other series.

There are Fun Cup national series competed in the UK, Belgium, France, Spain, Italy, Germany and the Canary Islands, all of which combine in the 25 Hours at Spa.

- Between 3,000 -6,000 people
