

Dubai Autodrome Karting Academy
(DAKA)

Parent Information Pack – September 2019

Dear Parents,

On behalf of Dubai Autodrome we are delighted to announce the dates for the new school term.

Every night, DAKA includes multiple sessions on the track, up to 3 x 15-minute karting sessions and a 30-minute practical in the Dubai Autodrome garage. This means that your child, from the outset, will be absorbed in the most adrenaline filled and unique after school activity in the UAE.

Motor Sport is challenging, it will be hot, we encourage lots of breaks, plenty of water and cool clothing for the DAKA students. Shorts and T-shirts are ok, but closed toe trainers and socks are essential.

- **Dates and Timings**

Our next enrollment begins on week commencing Sunday 15th September for 10 weeks

Level One – Sundays – Indoor Kartdrome

Level Two – Tuesdays – Outdoor Kartdrome

Level One is open to beginners above the age of 7 years

Level Two is open to racers with more experience:

Over 10 visits to indoor Kartdrome having accumulated more than 150 laps with sub 39 seconds

A member of the Sodi World Series Junior championship OR completed Level One DAKA

If Aged 13 +, level two is recommended

- **Course Outline**

DAKA will provide special unique learning opportunities throughout the course to help them on their journey to becoming a race driver. This includes:

- Rules and guidelines on how to drive safely and stay safe in a kart.
- Structured racing tuition with experts to guarantee reduced lap times.
- Varied and combined lap set ups to master different types of circuits; these are changed and become progressively harder as the course goes on.
- Over the next six months students will work their way through three levels of grading to master race craft and develop into a future racer.

In addition, DAKA will provide physical hands-on mechanical tutorials and challenges to help educate drivers about the kart and give them lasting experiences, including:

- **Kart wheel removal, kart wheel refitting, pressure checks and tyre direction check.**
- **Brake Pad change.**
- **Stub axel change and refit**
- **Sparkplug Change.**
- **Oil Change.**
- **Air filter removal, cleaning and reinstall.**

As the DAKA drivers graduate through the levels they will be able to manage other mechanical techniques including:

- **Spark plug gapping**
- **Carburetor removal, clean and refit**

- **Front wheel alignment**
- **Exhaust and inlet valve clearance setting**
- **Rear sprocket removal checking tension and alignment**
- **Removing and Installing the drive belt**
- **Removing Exhaust**

The Dubai Autodrome Karting Academy delivers the highest standard of kart training to youth across the nation, while providing a pathway to professional motorsport careers. DAKA will be a natural feeder series for ESKC, SWS and the world-renowned Dubai Kartdrome Endurance Series. The DAKA program has been designed and will be overseen by very experienced and multiple championship winning drivers and coaches.

• **Circuits and Levels**

DAKA will work through set levels of tuition as follows:

Levels	Track Exposure	Curriculum Overview
One	Indoor Clockwise & Anti-Clockwise with One sessions at Outdoor Kartdrome (Cadet layout)	<p>Pure introduction to karting teaching basic karting skills and experience</p> <p>DAKA will run both clockwise and anti-clockwise track directions so drivers can adapt and learn the following:</p> <ul style="list-style-type: none"> • Holding steering wheel correct. • Racing lines on different circuit configurations, understanding apexes, braking points. • Direction and detail of each course.
Two	Outdoor Kartdrome (Cadet, National and International courses)	<p>This level is a bit more comprehensive, introducing race craft where drivers will start to develop skills and understanding of the following:</p> <ul style="list-style-type: none"> • Overtaking. • Defending their position, whilst optimizing consistency and smoothness on track. <p>The karting coaches will develop race discipline by encouraging drivers only to overtake only on certain corners, so drivers gain confidence and master overtaking techniques.</p> <p>During Level Two, the outdoor track is introduced, using half of the International Dubai Kartdrome circuit to perfect the corners more frequently, before advancing onto another part of the track. This will provide more beneficial lessons to the drivers.</p> <p>Level three graduates will be part of a special race day event at Dubai Autodrome on the final course day.</p>
Daka Club	Outdoor International	<p>Daka club nights will lead into race experience, introducing more tracks and layouts. It will contain the following:</p> <ul style="list-style-type: none"> • Arrive and Drive format only • Close racing and perfecting the track. • Introduce the international track especially for overtaking and defending opportunities. <p>Daka Club nights are high-adrenaline, much longer laps containing more corners with less guided track tuition.</p>
